

REFERENCE LIST | INDUSTRIAL

COUNTRY	CUSTOMER	INDUSTRY	PRIMOZONE SOLUTION	YEAR
South Africa	Sappi	Pulp Treatment	Ozone Generator	2009
Holland	E.ON RoCa Power Station	Cooling Towers	Ozone Generator	2011
United Kingdom	Sozones	Food Industry	Ozone Generator	2014
Kingdom of Saudi Arabia	Veolia	Waste Water Re-use	Complete Ozone System	2015
Poland	Inwatec	Textile	Ozone Generators	2015
South Korea	Bogo Trade	Waste Water Desinfection	Ozone Generators	2015
Brazil	Hi-Tech Quimica	Textile	Ozone Generator	2016
South Korea	LTC	WWTP - Chemical Production	Ozone Generator	2016
South Korea	Dodul Pigfarm	WWTP - Livestock	Ozone Generator	2016
Sweden	Flextrus	Surface Activation	Complete Ozone System	2016
Sweden	ReNewCell	Textile	Complete Ozone System	2016
Sweden	Hamstad Municipality	Odour Reduction	Ozone System	2017
South Korea	LG Chemical	WWTP - Chemical Production	Ozone Generator	2017
China	Hebi Heqi Power Generation Co., Ltd.	Cooling Towers	Ozone Generators	2017
South Korea	NK Industries	Ballast Water	Ozone Generators	2017
China	Henan Zhongfu Industrial Co., Ltd.	Cooling Towers	Ozone Generators	2017

www.primozone.com

Primozone began redefining ozone technology in 2000. Since 2003, Primozone Production AB has been wholly owned by Westfal-Larsen Technology of Bergen, Norway. Today Primozone's patented technology is used in water treatment installations in more than 40 countries worldwide.
